INSTALLATION TIMES & MATERIALS INFO

Spring - Early to mid April

Fresh cut greenery, artificial florals, pussywillow or curly willow Expected to last approximately 3-6 weeks.

Summer - End of May to early June

Tender annuals. Lasts approximately 16- 20 weeks. One mid season check up includes deadheading and fertilization. Customers are responsible for ensuring annuals are protected in the event of a late season frost. We also offer custom grown hanging baskets & maintenance programs for annuals.

Fall - End of September to early October

Fall annuals, fresh cut greenery. Lasts approximately 6-8 weeks. Summer annuals may be reused if hardy into frost.

Winter - Late November to early December * Our most popular season!

Fresh cut winter greenery, decor + dried elements. Lasts approximately 8-10 weeks. Can last up to 16 weeks if in a shaded/protected location. Drying chinook winds and full sun exposure will dry out fresh greenery faster. Artificial options are available if requested (additional cost.)
